EVERYBODY COME

That Helped a Little. Mr. Nolan lives in Roxford road, East Cleveland. There are cats appertaining to that street, and those cats do nightly sing upon the porches of Messrs, Heister, Krauss, Robinson, Sheldon, et al.-whose flats are in juxtaposition to that of Mr. Nolan. The cats were busy a few nights ago, as the whole neighborhood was aware. The next morning Mr. Krauss said to Mr. Nolan: "Did you bear those qualifled cats last night "Did I" answered Mr. N. "Yes, I did-and I was glad of a chance to throw something "Did you hit 'em?" "No. at 'em." but I flung an alarm clock that wakes me up every morning, and I got rid of evidently feeling the touch, if not the that, anyhow."—Cleveland Plain grasp, of modern civilization. The Dealer

House and Owner

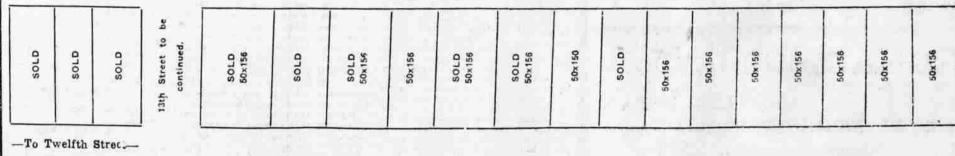

My precept to all who build it, that the owner should be an ornament to game last night by the joint inter. Money makes the mare go—or come collegiste committee. He probably or stay, according to what it says to the house, and not the house to the owner.-Cicero.

Scarcity of Oplum Polt Codeine, a very largely used mare cotic, is more than twice its normal value, owing to the scarcity Carbolic acid continues opium. advance in price, and it is not at all unlikely that the cost of household disinfectants may be increased. The most noteworthy of the few articles which have declined in value is glycerin, which, after a long period of high value now shows signs of coming down in price.

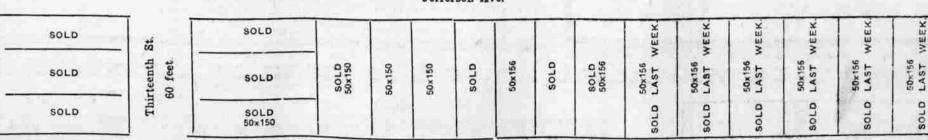

Shows Slight Advance. The lover of primitive passions is latest one of this type did not kill a girl he was in love with because she refused to marry him. With great and entirely unexpected moderation, he merely slashed her face with a razor, so that nobody else would want her. This is a distinct and encouraging advance.
